- Our FAQ page has links to create a profile and to sign up as a business

Customer FAQ

How can I can book a service?

Service can be booked through our services pages linked above. Our services are divided into 3 categories: pet sitting, dog walking and dog daycare.

How do I create a profile?

To create a profile you can [Click here](#).

How do I know that a business is credible?

Each business/ freelancer that applies to be on our website is thoroughly vetted to ensure its legitimacy. No business can appear on the site without approval and business must provide proof for any certificate mentioned in their application

My pet needs additional care when using the service, how can I let the service know this?

When booking the services additional information can be supplied to the service you are booking so that they are aware of any additional care they must provide

I am going to be late to collect my pet will I be charged extra?

With our daycare and sitting service a late fee may apply but is at the discretion of the business/ freelancer. Special accommodation may be made in the cases of emergency but must be discussed with the business/ freelancer.

Business FAQ

How can I apply to be on the website?

Applications to the website can be made [here](#). Note freelancer must be over the age of 18 to be able to apply.

I put in my application that I have certain certifications, what do I need to provide to prove so?

A copy of each cert must be provided with the application, failure to do so may result in your application being denied

How long does it take for an application to be approved?

Depending on the amount of information provided and if more clarification is needed it can take up to 5 business days for an application to be approved.
